**MEETING NOTES**

The October 14<sup>th</sup> Meeting is Thursday, 9<sup>th</sup> at 6:30 pm at Adventure Park, 10130 Gunn Ave.

**John Rodgers** will demonstrate router cut through dovetails with a Woodline jig. **HEARING PROTECTION IS ADVISED!** We may also need a sweep up team because routers are messy.

This is a repeat of last months demo and will be complete with the missing gauge block and noise. At the request of the committee, the demo will be in the center of the room and members will be able to move and watch from various locations.

**Club Show 'N Tell**

The Show and Tell portions of our monthly meetings are important to all of us. Members deserve a chance to exhibit their woodworking skills and you get a free ticket to the raffle.

The major purpose of S&T is to help all of the club members to become better woodworkers and S&T is working.

**CHRISTMAS PARTY**

The date of the potluck has been **changed** to **December 16<sup>th</sup>** at the Senior Center, 13325 Walnut Street.

## **JOE CARRILLO**

When you see Joe, shake his hand and say “Thanks for a magnificent job.” He does deserve it!
