**MEETING NOTES**

**The February meeting is February 9, at Adventure Park. 6:30pm to 8:00pm.**

**Julie McCamy** is our featured speaker, demonstrating scroll sawing. **Julie** is an accomplished scroller and toll painter. **Julie** has a complete woodworking shop paid for by proceeds from her sales at craft shows in the area. She took four years of wood shop classes in high school.

The theme for the **March** meeting is **TOYS!**

**Show and tell**

Bring an example of any toy you have made or any project you wish to tell us about.

**Open Shops**

Clean your shop and invite the club. You pick the day, the time and the place. No refreshments, no coffee. No kidding, everyone likes to go to open shops and we have never had an unsuccessful one. The worst thing that can happen is you get a clean shop!

**DUES**

**Please pay your dues as soon as possible. Mike Scott is accepting dues before the meeting and during breaks. Please do not disturb the meeting to pay dues.**

**Steering Committee Actions**

The Steering Committee is looking for a **Club Historian**. This position of club historian will gather any information and give it to the Website Manager **Paula Eagleman** and

other publications.

Open to all who would **volunteer** for the position

Consumer Product Safety Improvement Act (CPSIA). There is new information available mitigating some requirements but does not change the Act.

All painting and **finishing** of toys for children who are disadvantaged is discontinued as of the end of this years toy giving. **WOW** will no longer distribute toy that have been finished in any manner, no paint, no shellac, no mineral oil, no tung oil, etc.

PS. Yes you may, call or write your senator and representative.

### **March Meeting**

**Ron Holtz** will talk about making toys that will stand up to rough handed playing and show examples. Come prepared to make a commitment to make X number of toys. You decide what X is, what the club needs is your commitment.

### **Members Helping Members**

One of the purposes and benefits of membership in WOW is Members Helping Members. **It is a feature that is not used as much as we could.** The club has a two pronged plan to be a woodworking resource,.

**1. If anyone has a woodworking question or a problem, contact Don Prince for time** on the meeting agenda. This is important, time is allocated, first come first served.

**2. Current members will reach out to the new members to introduce them selves.** The older, more skilled members will mentor younger or less knowledgeable members. Find out what area of woodworking they are interested in and if they have all the tools or equipment to do the basics. **Keeping notes of your contacts will help us to help them.**

### **WANT ADS**

Want to buy, sell, swap wood working tools, etc. Ads can be listed in the Pushstick. Deadline is the Friday before the next regular meeting.

Contact **John Rodgers** by phone or email at **[www.woodworkerofwhittier.org](http://www.woodworkerofwhittier.org)**

For Sale. Craftsman 10” contractors table saw w/ 10” carbide blade. This saw was used at Hathaway Ranch for block production. The Santa Fe Springs FD would not approve it used on the property because of lack of dust collecting. **(562) 943-4339**

For Sale. Mark V Shop Smith. Unknown age but well cared for. Includes Jointer, Scroll-jig saw, 4 jaw lathe chuck. Standard Table Saw, Drill Press, Horizontal Boring.
