MEETING NOTES

The July Meeting is Thursday, 8th at 6:30 pm at Adventure Park, 10130 Gunn Ave.

Nominations and election of WOW Officers for the 2010-2011 fiscal year will be primary function. Nominations of officers will be accepted. The nominee must be present and accept the nomination in order to be a candidate. Any member may hold any elected office. The elected offices are President, Vice President, Secretary and Treasurer/Membership.

Andy Stanton will demonstrate pocket hole joinery with a Porter Cable tool and compare the work with the Kreg tool.

Club Show 'N Tell

The Show and Tell portions of our monthly meetings are important to all of us. Members deserve a chance to exhibit their woodworking skills and you get a free ticket to the raffle.

The members are to be congratulated for an **OUTSTANDING SHOW AND TELL** for the June meeting. We have grown used to excellent work for the Show and Tell program and were not disappointed with this one. The **number of absolutely fantastic pieces set this session apart** from any previous Show and Tells. Craftsmanship in several categories was well above our normal and several should be entered in Los Angeles

County Fair Woodworking Show. I can't resist mentioning three items at the risk of disappointing others that are worthy of being singled out.

So in no particular order, **Mike Martinez** with his segmented vase with Walnut trim in sequential grain order. **Richard Fralick** for his Silver Maple jewelry box in sequential grain front to end to back and end. **Jay Anderson** for his antique auto fashioned from one solid block of wood.

If you missed this one, you missed the best one, and I know some great pieces were not mentioned and I apologize.

Cub Day Camp

WOW members provided 135 woodcraft kits to the Rio Hondo District Cub Day Camp. Short notice, vacations, other schedules, and an occasional emergency all made for a very busy crew. Three different tool boxes with slight variations, four different benches with variations and one very nice stepstool made the inventory.

Hathaway Ranch

Joe Carrillo is requesting additional members to operate a sander for block production on Monday mornings, 10:00 am to noon.

Joe also reports firewood is available at Hathaway Ranch on Mondays 10:00am. to noon. Call Joe to confirm he will be there.

Doll Project

WOW's doll supplier needs our help! They need dolls and stuffed animals to clean, refurbish, restore and return to needy children. Their program is a year round effort as well as supplying us with 59 dolls for our strollers and cradles.

Start a doll collection program at your church or with your social circle.

Dolls may be taken to the Uptown Senior Center from 8 am. to 5 pm. Monday through Friday. For information call 562-464-3370.

Steering Committee

The Steering Committee meets on the Tuesday after the regular club meeting at the Whittier Senior Center at 13225 Walnut Ave. starts at 7:00pm and is over at 8:00pm. The next meeting is Tuesday, July 13th.
