Club News

The **April meeting** will be held at the La Habra Church Of Christ located at 1621 W Lambert Rd La Habra, Ca 90631. Same place as last month.

Tool Sale! Bring money to the April meeting. Cash or Check . Tool sale to be held from the Jim Lockwood estate. Offers taken (Don't lowball). Jim had many tools he didn't use.

Whittier Founders Day is Saturday, May 7th.

WOW will participate with a booth. Location to be announced and sent out by email. Come by and say hi.

Woodworker of the Year nominations to start in April. Contact Paul Wilson with your nominations.

The club bought a new Public Address System. It will make it easier to hear at the meetings.

Message from the Prez

Hello: I hope all of you are doing well. Hopefully by the time you're reading this, I will have this month's meeting place taken care of. (It has been- see above). As we approach our second meeting of 2022, we are working to come up with new ideas to improve club participation.

One of things we are doing involves show-n-tell. I am keeping track of those who participate and at the end of the year there will be a prize awarded to the individual who has participated the most. The contest will run from March thru October of this year. One month has passed and there are only 7 seven more to go. To participate you need to talk about 1 or 2 items you have made or are working on or something (like a jig) to be used on a future project. Basically anything that involves a recent project or a current project. Not something sitting on a shelf for years. The Prize will be announced later this year. Good luck to all.

In closing I would like to remind you that if you have an idea for the club to help with participation or to help us become more creative please let me or any officer know and the idea will be discussed. Thank you for all of your help and support. I hope to see you at the April meeting. Paul Wilson

March Meeting

There was a good turnout at the first indoor meeting in almost two years. It was held at the La Habra Church of Christ. Adventure Park is still not open. WOW members shared a big assortment of projects they have been working on.

Steve Lelewer showed the various turnings he has done. Including pepper mills, rings, stoppers, pizza cutter using various materials including urethane, maple, burls. **Ray Wolven** showed an intricate cutting board. **Steve Romo** demonstrated how he glues together a bowl blank to get an interesting pattern. **Ray Sosa** showed multiple scroll saw patterns he has cut. **Bill Covell** made an intarsia pistol. **Julie McCamey** made scroll saw team logos. **Dick Toney** turned a pen using wood

from a Bottle Brush Tree. **Michael Perovich** showed some hand planes he restored. Thanks to all that shared their talents. Show your creations at the next meeting.
