## Message from the Prez

The beginning of summer means hotter and longer days. As for the club it means Election time. At our June meeting we held our annual election, and there were no real surprises and no drama like in 1960 when John F Kennedy narrowly beat Richard Nixon. The election was held and the results are as follows: President - Paul Wilson, Vice President - Vacant, Treasurer - Arie Korporaal, Secretary - Ray Wolven, and Membership - Steve Romo rounded out the elected officers. As for the Nominated Officers they are as follows: Raffle - Gene Getz, Refreshments - Julie McCamey, Webmaster - Vacant, and Program Chair - Vacant. We do have a few people who have stepped down this year starting with Louis Lopez Vice President, Alan Webster - Webmaster and Jim Sparling Program Chair. To each of you the club and I owe you our thanks for all of your hard work and dedication. If anyone is interested in helping out with one of the open positions please let me know. Your help will be welcome and appreciated. Thank you.

Paul W.

## June Meeting

The June meeting was held at Adventure Park. Mike Perovich gave a very nice talk on hand saws.

## June Show and Tell

In the June meeting WOW members shared these projects they have completed recently:

Ray Sosa - Scroll saw projects

Louis Lopez - Wood spatulas

Julie McCamey - Noah's Ark piggy bank

David Guy - bottle stoppers

Rubin Johnson - cutting board

Steve Romo - turned bowl

(Unfortunately, due to space limitations, not all items can be shown here)

## Adventure Park Seniors Workshop

In early 2021 a few of our members began volunteering to teach a Woodcraft class at Adventure Park. The class was originally intended as a senior class and has since grown to accommodate people of various ages. To date the class has about 15 – 20 individuals and has been received with high praise. The class teaches basic craft with wooden projects. Those in attendance learn about sanding, some constructing and painting. We hope that attendance will increase in the near future as word gets around. If any member would like to participate, the classes are twice a month on Tuesdays. If you are interested please contact Paul Wilson for more info. I would like to thank Dick Toney, Julie McCamey, Louis Lopez, Steve Romo, Ray Wolven and Arie Korporaal for helping out when they can.

Here are some pictures of the recent 4<sup>th</sup> of July project.
