March Meeting

Thursday March 10th will be our first club meeting for 2022. Although things are progressing slowly and we still don't know when we will be able to meet indoors at Adventure Park, I have found a temporary solution for the next couple of months. We will be meeting at the La Habra Church Of Christ located at 1621 W Lambert Rd La Habra, Ca 90631. This is where the Christmas party was.

The door will open shortly after 6pm with the meeting beginning at 6:30pm until 8 Pm. We will be discussing new ideas for this coming year and there will also be an opportunity for members to pay there dues if you have not already done so. I would encourage everyone to bring something for show n tell and I look forward to seeing all of you. Paul

Message From the Prez

by Paul Wilson

Greetings to everyone.

I hope all of you are doing well. As many of you know, beginning this month we will once again be having our club meetings. Until our normal meeting place allows us back indoors, I have secured a temporary location for the next month or two. Hopefully we can return to Adventure Park indoors as soon as April or May. We will still be observing some precautions. We will be using only chairs for the general population. Tables will be available for show and tell, the raffle and guest speakers. Refreshments will be available for those who would like to partake with the usual donation. In regards to any future changes in meeting location- I will keep you updated.

Our first meeting for 2022 will be a simple meeting with show and tell, raffle, club news and some ideas we will be looking to introduce throughout the year with the intention to increase club involvement and membership. I hope to see you there. Paul Wilson
