May Meeting

The May meeting will be held at Adventure Park inside the room. The first time in two years! Please come to the meeting and enjoy.

Hathaway Ranch

Monday, May 2nd saw the completion of a full 14 sets of wooden blocks and wooden cars for the 2022 year. While the work is done for this year (though there could be a few more charities that sign up to receive the donations) the Monday group of woodworkers will continue shaping and sanding the wooden blocks to get a jump on next year as donated scrap wood comes in. *Arie Korporaal*

Message from the Prez

Hello to all. I hope all of you are doing well. In case you have not heard, we are back inside Adventure Park starting this month. It has been a little more than 2 years since our last meeting indoors at the park. On May 12, 2022 we will resume our club meeting in the same room as before. Doors will open shortly after 6pm with our normal start time of 6:30. I hope to see you there.

Also, this is the last chance to nominate someone for wood worker of the year. So if you have someone you would like to nominate please be sure to put in the ballot box. Finally, as a reminder our club election is in June. There are a few openings and any member can run for any office they would like. If you would like to be an officer please let me know. Thank you for all of your help and support. I hope to see you at the May meeting. Paul Wilson

April Meeting

The April meeting was held at the La Habra Church of Christ. WOW thanks them for their hospitality while we waited for Adventure Park to re-open.
