

Woodworkers of Whittier

Thanks for joining!

We meet the second Thursday of every month at Adventure Park, 10130 Gunn Avenue, Whittier, CA 90605. Feel free to call me if you have any questions. (562) 907-9472 Steven Romo

WOW's was founded to make toys to be given to disadvantaged kids at Christmas time. So there is a lot of emphasis on this.. In addition, we are here to enable woodworkers to help woodworkers. WOW is a great resource of talent in all areas of woodworking. Members have different passions. Scroll sawing, pen turning, bowl turning, wooden vehicles are some of them. It doesn't matter if you are just getting into woodworking. Members are happy to help the beginner. Please ask questions.

You will be getting a monthly newsletter by email or regular mail, if you do not have email.

Here is a rundown on what WOW does during the year--

Steering Committee Meeting is the Tuesday following the regular meeting. Meeting place announced at meeting beforehand. All members are welcome to attend.

Hathaway Ranch block building project--is an ongoing project to build toy blocks to give away to children at Christmas time. It has been going for 17 years. Monday mornings 8:30 - noon at Hathaway Ranch, 11901 Florence Avenue, between Norwalk Boulevard and Pioneer Boulevard. Open the gate and drive in, close gate. Call Paul Wilson (562) 968-4162 for more information.

In November we have a Wheels and Axels meeting. Members bring the toy cars they have made at home during the year. WOW provides the wheels and axels. At this meeting the wheels are attached using glue and hammers.

Early December there is Distribution Day. This is in the morning at the Hathaway Ranch, where all the toys and blocks made during the year are boxed up and distributed to the different charities.

In December we have a potluck dinner. This is instead of the regular meeting. Each member is encouraged to bring someone and several items they have made to be given away through a drawing. Also, bring a dish of at least 8 servings. 40 people attended last year and everyone got at least one prize.

Thanks again for joining and we look forward to seeing you at the club's meetings.
