Message From the Prez

by Paul Wilson

Hello to all- I hope everyone had a great Thanksgiving. As we wrap up 2021 we saw another year of activities limited due to the Pandemic. However, the club still has managed to stay active with our toy project a great success. This year we will be distributing our toys to 14 charities, so once again we will brighten this Christmas for hundreds of underprivileged children in our area. To all who have helped this year by making cars and blocks, a big thank you to each of you. As for 2022, we are already working on toys for next year.

As a reminder, Thursday, December 9th is the club's annual Christmas Party. To those who are attending please remember the door prizes and potluck. The party will begin at 6pm until 8pm. The location is The La Habra Church Of Christ located at 1621 W. Lambert Rd La Habra, Ca 90631. For those who have volunteered to set up, we will be there at 5pm and cleanup after the party. I look forward to seeing you there for a night of good food and festive fellowship. Finally, due to the pandemic we will do our best to follow the guidelines to ensure everyone's safety. If you would like to wear a mask, that is fine. Everyone that I have spoken with have been fully vaccinated and most have received their booster shots. So what ever makes you comfortable is perfectly fine. See you next week.

Paul Wilson

P.S. For those of you who will attending the Christmas Party please remember the door prizes.

Senior Woodworking Class

For the past three months WOW members have been holding a woodworking/craft class at the Adventure Park Senior Center. It has been well received with the students being most appreciative. It is a simple class with no power tools used. So far they have assembled, sanded and painted club cars, Christmas star centerpiece and a decorative birdhouse. Adventure Park pays for the supplies and attendance is around 20 students.

The classes have been weekly, but starting in January they will be twice a month, with one project a month.

Paul Wilson said it is hard to come up with new projects on a weekly basis. Great Job to all involved including Paul Wilson, Steve Romo, Julie McCamey, Dick Toney, Louis Lopez, Ray Wolven and Arie Korporaal
