

# The Push Stick

## No Meeting in February

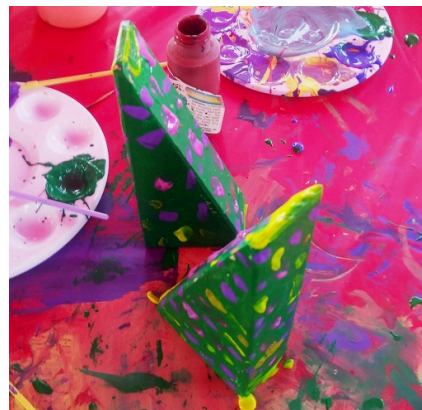

WOW is working on a meeting place for March. The church where the Christmas party was held is a possibility. Details are being worked out.

## Message From the Prez

by Paul Wilson

Hello to all- I hope all of you are doing well. I think finally there is some news we all have been waiting for regarding club meetings. There is a strong possibility that we will be able to get back together as soon as next month (March). I would like to remind all of you that we will be following guidelines like distancing and wearing masks and tables will be available only for presentations and the raffle. Emails will be sent with the details as to the location. If you have any questions please contact me and I will give any information I have.

As for other club news, for those of you who have paid your dues we thank you. As you can see by the pictures the club has been busy during the past holiday season. We were invited to participate at the Christmas event at Adventure Park. The event was a huge success and I would like to thank V.P. Louis Lopez and Sec. Ray Wolven and Julie McCamey for all of their help. The 4 of us had a good time, the kids had a great time, We are hoping to be invited again this year and with that in mind I would like to ask any of you who have some pieces of plywood about 1/8" to 1/4" thick if you would donate to the club so that we can make ornaments for this year's event. Please let me know any help will be greatly appreciated. Paul Wilson

## Club News

Many have paid club dues for 2022 and we thank you. If you need to pay, you can do so at the meeting or send a check to the Woodworkers Of Whittier at the following address, Woodworkers of Whittier P.O. Box 9314 Whittier, CA 90601

or you can use Pay Pal to pay your dues by using the following link

<http://paypal.me/woodworkerswhittier>

You will need to have a Pay pal account to use this option. If you are using Pay Pal please make sure to send money to a friend and not a business to avoid any fees. Dues are back to \$30 for 2022.

**Dues are used for-** Hathaway Ranch rent where the toy blocks are made. Supplies for the Ranch including blades and sandpaper. Wheels and axles for the toy cars members make for charity (This is WOW's biggest expense). Christmas Party, Awards, supplies.

December 2021 WOW distributed cars and blocks to multiple charities. Even with the shutdown we were doing good works.

At the April meeting woodworking tools from **Jim Lockwood's** estate will be sold. More information and pictures will be provided before then.

**Whittier Founders Day** is on May 7th. Woodworkers of Whittier plans on participating.

**Steering Committee** Meetings are being held even without normal meetings. If you would like to attend call Paul Wilson.

**Guest Speakers** for upcoming meeting are being looked for. Preferably club members that would like to share techniques they have learned in their woodworking endeavors. Contact Paul Wilson

### Club Calendar

No February Meeting

February Steering Committee Meeting Call Paul

March Meeting- Thursday May 10th

Steering Committee Tues. March 10th Call Paul

Meet 2nd Thursday of the month at Adventure Park  
10130 Gunn Avenue Whittier, CA 90605
